Alternatively, a Member may be expelled by a special resolution of the Members at a general meeting. If a Member is the subject of a proposed expulsion by special resolution, then the notice, given in accordance with by-law 15.1, of the special resolution shall outline the reasons for the proposed expulsion and the Member shall be given an opportunity to address the Members at the general meeting before the special resolution is voted on.

(b) **Hearing** - During the period from the date the notice was deemed to be given to 10 days before the effective date of the Disciplinary Action, the Member shall be given every reasonable opportunity to present to the board, either orally or in writing, his or her reasons why the Disciplinary Action should not proceed.

(c) **Meeting** - The board of directors shall decide whether or not to proceed with the Disciplinary Action, by a majority of the votes cast at a meeting of the directors to be held not less than five days before the effective date of the Disciplinary Action. In the event the board approves proceeding with the Disciplinary Action, the approval shall be final.

(d) **Appeal** - Any appeal of a Disciplinary Action must be commenced by the Member so affected within one year after the effective date of the Disciplinary Action.

PART 4 - ALLOWANCES TO MEMBERS

4.1 Travel and Expenses. The board of directors may reimburse any Member for reasonable expenses incurred by him or her in the performance of his or her volunteer duties on behalf of the Society.

PART 5 - DUES AND ASSESSMENTS

5.1 Dues. The lifetime dues payable by the Members shall be those fixed by the Members at each annual general meeting of the Society.

5.2 Assessment. In addition to the dues described in by-law 5.1, the board may from time to time impose an assessment on Members for any extraordinary expenditures which the board considers appropriate. To be effective, an assessment must first be approved by an ordinary resolution passed at a general meeting of the Members by a simple majority of the votes of the Members cast in respect of a resolution to approve such extraordinary expenditures.

5.3 Notification by Secretary. The Secretary shall notify each and every Member, in writing, of the dues and assessments at any time payable by the Member and to what the dues and assessments relate.

5.4 Payment. Each Member shall pay to the Society:

(a) the dues fixed in accordance with by-law 5.1 within 30 days of the day of receipt by the Member of the notice referred to in by-law 5.3;

(b) the assessments approved in accordance with by-law 5.2 within the time specified in the notice referred to in by-law 5.3;

and such dues and assessments shall constitute debts due from the Members to the Society which are recoverable by action and are payable as of the due date thereof.

5.5 Waiver of Dues/Assessments. The directors may, by resolution, waive the requirement for the payment of any dues or assessments or a portion thereof due to the Society by any Member.

PART 6 - MEETINGS OF MEMBERS

6.1 Annual Meeting. Subject to the provisions of the Act, the first annual meeting of the Members shall be held not later than 15 months after the incorporation of the Society and subsequently, the annual meeting shall be held:

(a) once in every calendar year and (i) not more than 15 months after the holding of the preceding annual meeting; or (ii) more than 6 months after the end of the Society's fiscal year; and

(b) on such day in each year and at such time and place, within the Province of British Columbia, as the board may by resolution determine, provided that the Members may by ordinary resolution, subject to the Act, authorize an annual meeting to be held outside of the Province of British Columbia.

6.2 General Meeting. General meetings of Members may be convened on any day and at any time and place, within the Province of British Columbia, as is determined by the board. Subject to the provisions of the Act, the Members may by ordinary resolution authorize a general meeting of Members to be held outside of the Province of British Columbia.

6.3 Members May Initiate General Meeting. A general meeting of the Members shall be convened by the board within 21 days of receipt by the Society at its registered office of a written requisition which states the purpose of the general meeting and which is signed by at least 10% of the Members who are entitled to vote and are in good standing. Upon receipt by the Society of the written requisition, the Secretary shall notify the board of the written requisition and shall give written notice of the general meeting to each Member at least 14 clear days before the date of the general meeting, such notice to be in accordance with by-law 15.1.

6.4 Notice of Meeting. The Secretary shall give written or electronic notice to the auditor (if any) and to each Member shown on the register of Members, who is in good standing on the day that notice is given, of a meeting of Members (either a general meeting or an annual meeting) at least 14 clear days before the date of the Meeting, such notice to be in accordance with by-law 15.1.

6.5 Waiver of Notice. Members who are entitled to vote at a meeting of Members may waive notice of a meeting of Members by consent in writing.

6.6 Omission of Notice. The accidental omission to give notice of any meeting of Members, any irregularity in the notice of any meeting of Members or the non-receipt of any notice by any Member or Members or by the auditor of the Society (if any) shall not invalidate any resolution passed or any proceedings taken at any meeting of Members.

6.7 Entitlement to Attend Meetings. Only Members and the auditor may attend meetings of Members, provided, however, that the board of directors may invite non-Members to attend meetings of Members.

PART 7 - PROCEEDINGS AT MEMBERS' MEETINGS

7.1 Chair of the Meeting. The President shall be chair at any meeting of Members. If fifteen minutes after the time appointed for holding the meeting the President is absent or unable to act as chair at a meeting of Members, then the Vice-President shall be chair of the meeting of Members. If fifteen minutes after the time appointed for holding the meeting the Vice-President is absent or is unable to act as chair, in place of the President, at a meeting of Members, then the Members who are present and entitled to vote shall choose a director who is present and able to act as chair of the meeting, and if no director is present and able to act or if all the directors present decline to take the chair then the Members who are present and entitled to vote shall choose one of their number to act as chair of the meeting.

7.2 Adjournment. The chair of any meeting of Members may, with the consent of a majority of the Members present at the meeting of Members and entitled to vote, adjourn the meeting to a fixed time and place and no notice of such adjournment need be given to the Members unless the adjournment lasts 10 days or longer in which case notice must be issued to the Members in accordance with by-laws 6.4 and 15.1.

Any business may be brought before or dealt with at any adjourned meeting of Members which might have been brought before or dealt with at the original meeting of Members in accordance with the notice calling the meeting.

7.3 Quorum. A quorum at any meeting of Members shall be six (6) Members of record in good standing and entitled to vote. No business shall be transacted at any meeting of Members unless the requisite quorum is present at the time of the transaction of such business. If, in a meeting of Members convened pursuant to by-law 6.3, a quorum is not present at the time appointed for the meeting (or within 30 minutes after the time appointed for the meeting), then the meeting is terminated. If, in a meeting of Members not convened pursuant to by-law 6.3, a quorum is not present at the time appointed for the meeting (or within 30 minutes after the time appointed for the meeting) then the meeting shall be adjourned until the same day of the following week and the provisions of by-laws 6.4 and 15.1 with regard to notice shall apply to such an adjourned meeting. If at the adjourned meeting a quorum is not present at the time appointed for the meeting (or within 30 minutes after the time appointed for the meeting) then the number of Members present is deemed to constitute a quorum.

7.4 Minutes. Minutes of all meetings of Members shall be kept by the Secretary and signed by the chair of the meeting of Members. The minutes may be inspected during office hours by any Member of the Society at the registered office of the Society upon giving reasonable notice to the Secretary.

7.5 Annual Meeting Agenda. The agenda of the annual meeting shall include at least the following items:

- (a) approval of the minutes from the previous annual meeting and any other general meetings held since the previous annual meeting;
- (b) report of the President;
- (c) report of the Executive Director
- (d) report of the Secretary;
- (e) report of the Treasurer, including presentation of the annual financial statements of the Society;
- (f) reports from committees, if any;
- (g) election of directors;
- (h) appointment or waiver of auditor; and
- (i) other business, if any.

7.6 Rules of Order. The directors may, at any time, adopt such rules of order to govern the meetings of Members as the directors may determine. Any such rules of order shall be available for inspection during normal business hours at the registered office of the Society.

PART 8 - VOTING AT MEMBERS' MEETINGS

8.1 Voting. Unless provided otherwise in the Act or these by-laws:

- (a) the chair may propose a resolution;
- (b) every resolution must be seconded before it is voted on;
- (c) every question, other than the election of directors, submitted at a meeting of Members shall be decided in the first instance by a show of hands;
- (d) the election of directors shall be done by secret ballot; and
- (e) in the case of an equality of votes, the chair of the meeting shall not have a casting vote and the resolution shall not pass.

8.2 Secret Ballot. A secret ballot may be demanded by any Member who is entitled to vote at the meeting of Members either before or after any vote by show of hands. If at any meeting of Members a secret ballot is demanded on the election of a chair or on the question of an adjournment, the secret ballot shall be taken forthwith without adjournment. If at any meeting of Members a secret ballot is demanded on any other question, the vote shall be taken by ballot in such manner and either at once, later in the meeting or at an adjournment of that meeting as the chair of the meeting directs. The result of a secret ballot shall be deemed to be the resolution of the meeting at which the secret ballot was demanded. A demand for a secret ballot may be withdrawn.

8.3 Effect of Vote. No resolution of the Members of a meeting of the Society invalidates a prior act of the Directors that would have been valid if the resolution had not been passed.

8.4 Entitlement to Vote. No Member shall be entitled to vote at any meeting of Members unless the Member is entitled to vote pursuant to the provisions of by-law 2.3 and the Member has paid all dues and assessments, if any, then payable by the Member.

8.5 Simple Majority. At all meetings of Members every resolution put to the vote at a meeting of Members shall, unless otherwise required by these by-laws or under the Act, be decided by a simple majority of the votes duly cast on the resolution.

8.6 Evidence that Resolution Carried. At any meeting of Members, unless a secret ballot is demanded in accordance with by-law 8.2, a declaration by the chair of the meeting following a show of hands that a resolution has been carried unanimously, carried by a particular majority or not carried by a particular majority shall be conclusive evidence of the fact.

8.7 Entitlement to Vote by Proxy. Each Member shall be entitled to appoint a proxyholder to attend and vote at any meeting of the Members of the Society or any adjournment thereof.

8.8 Execution of Proxy Instrument. A proxy shall be in writing under the hand of the Member appointing the proxyholder. A proxy is valid for one meeting or any adjournment thereof.

8.9 Qualification of Proxyholder. Any person of full age may act as proxyholder whether or not he or she is entitled on his or her own behalf to be present and to vote at the meeting at which he or she acts as proxyholder. A proxyholder may only represent or act in faith of one person at any particular meeting of Members or adjournment thereof.

8.10 Deposit of Proxy. A proxy shall be deposited at the registered office of the Society or at such other place as is specified for that purpose in the notice calling the meeting not less than 48 hours before the time for holding the meeting at which the person named in the proxy proposes to vote or shall be deposited with the Secretary prior to the commencement of the meeting. In addition to any other method of depositing proxies provided for in these by-laws, the directors may from time to time make regulations:

- (a) permitting the depositing of proxies at some place or places other than the place at which a meeting or adjourned meeting of Members is to be held;
- (b) providing for particulars of those proxies to be sent in writing or by facsimile, e-mail or other electronic means before a meeting or an adjourned meeting to the registered office of the Society or any agent of the Society for the purpose of receiving those particulars; and

(c) providing that particulars of those proxies may be voted as though the proxies themselves were produced to the Secretary of the meeting or of the adjourned meeting as required by this by-law 8.10. Votes given in accordance with proxies and particulars of proxies so deposited shall be valid and counted.

8.11 Validity of Proxy Vote. A vote given in accordance with the terms of a proxy shall be valid notwithstanding the previous death, bankruptcy or insanity of the Member or revocation of the proxy or of the authority under which the proxy was executed, provided that prior to the meeting no notice in writing of such death, bankruptcy, insanity, or revocation shall have been received at the registered office of the Society or by the Secretary of the meeting or of the adjourned meeting at which the vote was given.

8.12 Form of Proxy. A proxy appointing a proxyholder, whether for a specified meeting or otherwise, shall be in the following form or in any other form that the directors shall approve:

9.1 Number of Directors on the Board. The affairs of the Society shall be managed by a board of directors consisting of not less than six (6). In addition, at a meeting of the Members, the Members may appoint up to five (5) honorary directors. The duties and responsibilities of the honorary directors will be determined by the board.

9.2 Powers and Duties of Board. The directors shall act honestly, in good faith and in the best interests of the Society and they shall always exercise the care, diligence and skill of a reasonably prudent person in exercising power and performing functions as a Member of the board. The board of directors shall be responsible for conducting all business of the Society and may exercise all such powers and do all such acts and things as may be exercised or done by the Society that are not by these by-laws or the Act expressly directed or required to be done in some other manner, and may from time to time by majority vote pass resolutions relating in any way to the Society or to the conduct of its affairs. The board shall ensure that the Society has at least one account with a chartered bank, credit union or trust company for the deposit of funds. The board will ensure that all documents which, according to law, must be filed with governmental bodies are filed in a timely fashion in accordance with applicable law. The board will prepare all reports, including financial reports, required by law to be prepared for the annual meeting of the Society. The board of directors shall report all work done by it or by any

committees of the board to the Members at the annual meeting of Members. No act or proceeding of the board is invalid by reason only of there being vacancies among the directors.

9.3 Disclosure of Interest. Where a director has either a direct or indirect interest in a proposed transaction involving the Society, the director must disclose to the board, in a full and prompt manner, the nature and extent of the interest, and must otherwise comply with the requirements of the Act.

9.4 Election/Appointment of Directors. The directors of the Society shall have a term of two (2) years. Directors may be elected to a maximum of three (3) consecutive two year terms. An election of directors may be by acclamation; otherwise it shall be by secret ballot.

When a director has served three consecutive two year terms, that director is ineligible to seek election as a director of the society for two (2) years. Board members who are elected into successions positions will be automatically exempt from the provision of this by-law.

9.5 Vacancy. The directors may at any time and from time to time appoint a qualified person to act as a director to fill a vacancy on the board. A director so appointed holds office only until the conclusion of the next annual meeting of the Members.

9.6 Power of Board if a Vacancy. Where there is a vacancy or vacancies on the board, the remaining directors may exercise all the powers of the board as long as a quorum of the board remains in office.

9.7 Termination of Office. The office of a director shall automatically be terminated if any of the following events occur:

(a) the director's term of office expires in accordance with by-law 9.4;

(b) the director is removed from office in accordance with by-law 9.8;

(c) the director becomes bankrupt, suspends payment of his or her debts generally or compounds with his or her creditors;

(d) the director is mentally incompetent. For the purposes of this by-law 9.7(d), a director shall be deemed to be mentally incompetent if two medical practitioners set forth their opinion in writing that the director in question is incapable of managing his or her affairs;

(e) the director is convicted of an indictable offence;

(f) the director resigns from his or her office by notice in writing to the Society. Any such resignation shall be effective at the time it is received by the Society or at the time specified in the notice, whichever is later.

9.8 Removal of Directors. The Members may, by special resolution of which notice specifying the intention to pass such resolution has been given in accordance with these by-laws, remove any director before the expiration of his or her term of office and may, by the majority of votes cast by the Members present and entitled to vote at that meeting of Members, elect any person to serve in the place of the removed director until the next annual meeting of the Members.

9.9 Remuneration. No director shall be paid for serving as a director but may be reimbursed for reasonable expenses incurred by him or her in the performance of his or her duties as a director of the Society.

PART 10 - MEETINGS OF THE BOARD

10.1 Place of Meeting. The board may meet together at the times and places for the dispatch of business and adjourn and otherwise regulate their meetings and proceedings as they see fit.
